JULIET LIVEABOARD - BAHAMAS

Starting at
$2,100
per person

OCTOBER 30 - NOVEMBER 5, 2027

Sail and dive where no one else goes – you won't see another boat for miles.

Say goodbye to time limits and crowded, chaotic dive charters. The Juliet is a charming 100 ft. liveaboard Schooner primarily based out of Miami. On board, you'll have plenty of room to spread out.
This ship only hosts 12 dives in double occupancy cabins, some rooms with private heads and showers.
Best known for the endless visibility, thanks to the white sand and bright sun, the area of the Bahamas the Juliet sails is located close to the nutrient-rich currents of the Gulf Stream, which helps to feed the coral and keep the reefs healthy. These reefs are some of the most resilient around; they recover from storms quickly, and can survive a larger range of conditions than most other corals. You will see awe-inspiring reef walls, decorated shipwrecks, and sharks galore!
