

PENSACOLA, FLORIDA

DEEP & WRECK DIVING TRIP

JULY 11-13, 2025

Join Choo Choo Dive Center on our summer dive trip to Pensacola, Florida!

\$625

We are excited to take you on an epic weekend of deep and wreck diving! Enjoy 2 days of 2-tank boat diving. We will once again return to dive the USS Oriskany, a sunken aircraft carrier which currently holds the title as the largest artificial reef in the world. Other offshore wreck dives are scheduled but will be determined closer to the time of the trip.

Have you ever wanted to see the Blue Angels? You're in luck! The Pensacola Beach Air Show will take place on July 12, and you can enjoy watching the show after a great day of diving. Not interested? You can choose to opt out and relax instead!

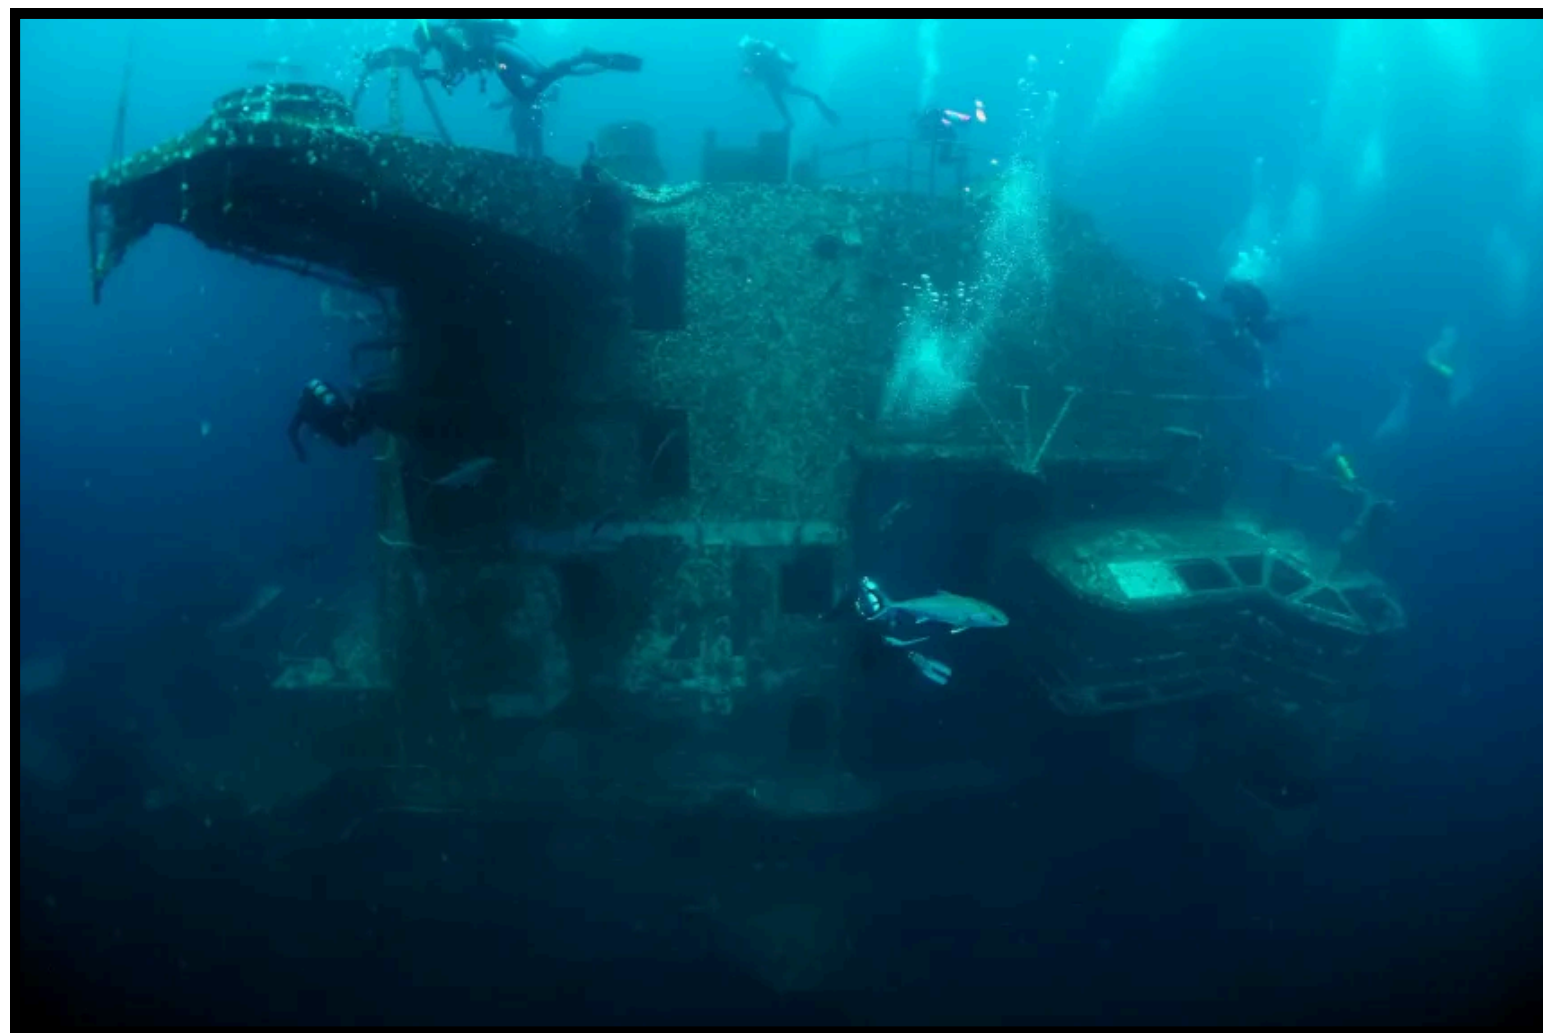

Get certified for Deep and/or Wreck Diving!
Specialty certification dives for Boat Diving will also be offered this weekend.

All other divers **MUST** be certified in Deep Diving OR have Advanced Open Water certification.

NOT INCLUDED: ACCOMMODATIONS, TANK/GEAR RENTAL, GRATUITIES, FOOD/DRINKS, AND AIR FILLS. EVERYONE WILL BE RESPONSIBLE FOR THEIR OWN ACCOMMODATIONS.

- Tanks are available for rent through the dive charter, but the cost is not included in the price of the trip. This is a convenient option for travel, and the crew will have your tanks waiting for you upon arrival.
- Nitrox is highly recommended to enhance your bottom time. If you are not already Nitrox certified, we recommend doing so prior to the trip.
- **ALL** personally owned Nitrox tanks must be O2 clean and stamped before taking them on the trip. This is required by the local dive shop in order to have your tank filled with Nitrox.

\$200 minimum deposit is required to secure your spot. This is non-refundable unless we are able to fill your space. For more information, call us at 423-899-1008 or email info@choochoodive.com.
