

# SCUBA EXPLORERS CAMP

## OUR KIDS SCUBA PROGRAM RETURNS JUNE 2026!

The program, previously known as Scuba Rangers, has now been rebranded as SSI Explorers. This an exciting and educational program for children between the ages of 8+ years old to introduce them to the basics of SCUBA diving. Scuba Explorers is similar to the Open Water Diver class, but the academics are designed to be much more kid appropriate with an emphasis on safety while also having fun!

Our objective is to stimulate interest in learning about the underwater environment and to familiarize students with the equipment and knowledge necessary to be a safe diver. Participants will receive a recognition card upon completion of the course.

Sessions will take place at Choo Choo Diving & Aquatic Center and in-water training is performed in our heated indoor pool with a max depth of 12 feet. Scuba Explorers always dive under the direct supervision of a specially qualified Explorers Instructor. This program does not certify students as an Open Water Diver. Children must be at least 10 years old to be eligible for certification as a Junior Open Water Diver.

- **COURSE COST: \$450**
  - Includes 5 days of classroom and pool training sessions with a certified instructor, rental SCUBA equipment including mask, fins and snorkel, Explorers manual, Scuba Explorer certification card.
- **CLASS DATES:** June 23 - 27, 2026 (Graduation Day is the 27th)
  - Each class is 2 hours in duration, from 10am to 12pm.
  - Saturday the 27<sup>th</sup> is the day for kids to get to show off everything they have learned! Friends and family are welcome to attend!
